

The Professional's Choice

**NEW LOOK
LUBRICANTS & PENETRANTS**

Made in Australia

MULTI-PURPOSE

CRC 5-56 is a multi-purpose service spray that penetrates, lubricates and prevents corrosion. The original toolkit in a can.

CRC 5-56 Multi-purpose forms a thin film that lubricates moving parts for smooth action and silences annoying squeaks and squeals. Superior penetrating power breaks through rust and corrosion, loosens rusted parts, displaces water from wet equipment and cleans away scale and dirt. It protects metals from corrosion caused by humidity, salt air and other corrosive atmospheres.

TYPES OF USE:

Tools & Machinery

Attacks Rusted Parts

Squeaky Hinges

Starts Wet Engines

MARINE

CRC 5-56 Marine is a multi-purpose lubricant designed to prevent damage due to water and salt atmosphere in marine engines and boating equipment.

CRC 5-56 Marine increases life span, decreases maintenance and assures improved performance of all marine inboard or outboard motors. It forms a thin film that protects metals from corrosion caused by humidity and salt air for extended periods and lubricates moving parts for smooth action. Superior penetrating power breaks through rust and corrosion, loosens rusted parts and keeps them free, displaces water from wet equipment and cleans away scale and dirt. It displaces moisture out of ignition systems to help start wet engines.

TYPES OF USE:

Engines & Outboards

Boating Equipment

Trailer Maintenance

General Marine Use

HEAVY DUTY PENETRANT

CRC 3-36 provides a clear protective film which penetrates cracks and pores to seal metal surfaces. The thin film will not affect tolerances of precision equipment and need not be removed before use. It provides a beneficial lubricating effect by displacing and repelling moisture. CRC 3-36 is low in toxicity.

CRC 3-36 has superior maintenance power that protects rifles, saws, electric drill bits and measuring equipment. Releases rusted hinges, bolts and metal joints.

TYPES OF USE:

Tools & Machinery

Rusted Hinges

Prevents Residue Sticking On Fittings

Lubricates Locks & Handles

ELECTRICAL

CRC 2-26 Electrical is a plastic safe lubricant, penetrant, cleaner and corrosion inhibitor that helps prevent electrical malfunction caused by water penetration, humidity, condensation or corrosion and restores electrical properties after water damage.

As part of a preventative maintenance programme, CRC 2-26 Electrical helps prevent electrical failures by protecting equipment from moisture and corrosion. A thin residual film with light lubricating properties seals out moisture and provides long-lasting protection for electrical equipment even in difficult environmental conditions.

TYPES OF USE:

Electrical Connectors

Motor Generator

Navigation & Telco Equipment

Auto Electrical

CRC Product Range

CODE	PRODUCT NAME	BARCODE	PACK TYPE	UNITS PER PACK
5028	CRC 5-56 Multi-Purpose 175g	9310832050281	Aerosol	6
1753106	CRC 5-56 Multi-Purpose 270g with Permastraw	9310832025562	Aerosol	6
5005	CRC 5-56 Multi-Purpose 400g	9310832051059	Aerosol	6
5003	CRC 5-56 Multi-Purpose 500ml	9310832050038	Trigger	6
5006	CRC 5-56 Multi-Purpose 1L	9310832050069	Trigger	6
5004	CRC 5-56 Multi-Purpose 4L	9310832050045	Bottle	4
5009	CRC 5-56 Multi-Purpose 20L	9310832050090	Drum	1
5011	CRC 5-56 Multi-Purpose 200L	9310832050113	Drum	1
6006	CRC 5-56 Marine 300g	9310832060068	Aerosol	6
2007	CRC 2-26 Electrical 500ml	9310832020079	Trigger	6
2005	CRC 2-26 Electrical 450g	9310832020055	Aerosol	6
2006	CRC 2-26 Electrical 4L	9310832020062	Bottle	4
3005	CRC 3-36 300g	9310832030054	Aerosol	6
3009	CRC 3-36 20L	9310832030092	Drum	1
