GREEN CHEMICALS

LOW HEALTH HAZARD

Since 1969, CRC has been manufacturing quality specialty products in Australia for the maintenance, repair, and operating (MRO) industry.

We pride ourselves on being the leader in product quality, performance, and regulatory compliance.

CRC is committed to using sustainable materials while ensuring compliance with prescribed quality and safety regulations. Based on the ChemAlert Colour Rating System, many of our products are rated as green chemicals that pose a low level of health hazard for normal use.

The ChemAlert Colour Rating system visually indicates a chemical's hazard level for normal use, as mentioned below.

- Green:** Low Health Hazard
- Amber:** Moderate Health Hazard
- Red:** High Health Hazard

Each product is evaluated against parameters such as chemical ingredients, product form, potential routes of exposure, toxicity, and chemical properties to assign an appropriate colour rating to the ChemAlert report.

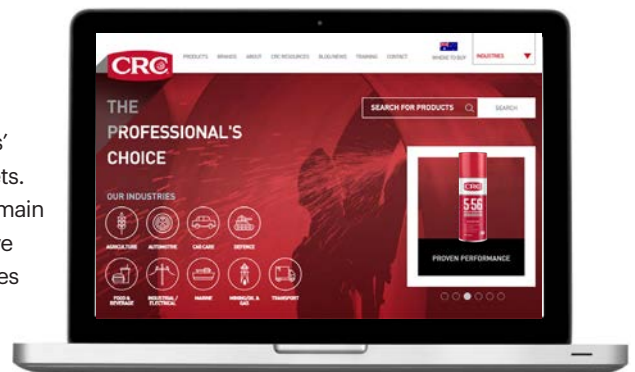

CRC's manufacturing of cleaners, lubricants, penetrants and other specialty products meet all performance standards, certified to ISO 9001.

Continually meeting this standard and gaining recertification reflects our ongoing commitment to quality and consistency.

CRC Technical Support

To see the entire range of CRC Industries products, visit us online where you have ease of access to all of our products' information, including Safety Data and Technical Data sheets. We constantly conduct on-going updates to ensure you remain at the highest level of regulatory compliance. CRC also have telephone support available for technical or product inquiries that require verbal advice.

FOOD GRADE

Food Zone Silicone Sealant

FZ14082 | 300ml White • **FZ14083** | 300ml Clear
FZ14087 | 300ml Grey • **FZ14088** | 300ml Aluminum

CRC Food Zone Sealant is a low modulus silicone joint sealant acetic cure. This highly flexible sealant has excellent adhesion to plastics, ceramics, stainless steel, metals and glass. The chemically stable formulations show little change in physical properties after exposure to moisture and temperature extremes.

- Economical for large jobs
- Convenient screw on nozzle
- Fast dispensing
- Cures at room temperature

Food Grade Syntha-Tech Lubricant

FG03054 | 312g

A non-flammable unique blend of synthetic lubricants that utilises PTFE, anti-wear and extreme pressure additives to increase equipment life and performance. Its long lasting film minimises surface contact thereby extending lubricating intervals.

- Long lasting film minimises surface contact thereby extending lubricating intervals

Food Grade Synthetic Grease

FGSL35610 | 397g

NLGI 2 lubricating grease formulated with the highest quality synthetic NSF H1 authorised raw materials available. High dropping point makes it particularly useful in high temperature applications. It also performs extremely well in cold temperature applications, as the base fluid exhibits a very low pour point.

- NSF H1 registered for incidental food contact
- Water wash-down resistant
- Resists rust and oxidation

Food Grade Water Based Silicone

FG03035 | 369g

Water Based Silicone is a non-flammable, NSF H1 registered multi-purpose silicone spray for food processing and handling applications.

- Non-hardening film minimises corrosion and provides excellent lubricity
- Reduces galling and friction

Food Grade Multi-Purpose Grease

FGSL35600 | 397g

A NLGI Grade 2 aluminium complex-based superior Multi-Purpose Grease for food processing and handling. It will not pound out bearings and bushings during shock loads, and contains excellent water resistance, and rust and corrosion protection.

- NSF H1 registered for incidental food contact
- Timken OK load of 40lbs

Food Grade Anti-Seize Compound

FGSL35905 | 227g

A premium quality Food Grade Anti-Seize Compound developed specifically for use in applications where incidental food contact is possible, and is composed entirely of ingredients that meet NSF H1 requirements.

- Odourless, tasteless, non-staining
- Resists rust and oxidation

Food Grade Bio Degreaser

FG05167 | 750ml • **FG05171** | 5L
FG05172 | 20L

The all new CRC FOOD GRADE BIO DEGREASER is an extra heavy duty cleaner formulated to penetrate and dissolve tough grease, oil and contaminants for easy removal – safely.

- Powerful
- BioDegradable
- Non-toxic, non-corrosive and non-flammable
- PH Neutral

Food Grade Di-Electric Grease

FG03085 | 94g

Di-Electric Grease is a thin, non-curing silicone compound that helps maintain electrical performance by reducing line sag, arcing, voltage drops and problems caused by adverse weather conditions.

- Temperature resistant. Maintains performance level year round
- Rubber and plastic safe

Food Grade Silicone Grease

FG3037 | 75ml

Food Grade Silicone Grease is a thin non-curing silicone grease. It insulates valves, electrical contacts, spark plugs, battery terminals and fasteners from moisture and protects against corrosion. It is resistant to oil, water and chemicals and will not harden, freeze, dry or melt.

- Seals, lubricates, protects, insulates and waterproofs
- Safe on most rubber and plastics
- Contains no metals

SMARTWASHER

CRC SmartWasher® OzzyBooster™

PRODUCT CODE | **OZBST**

A microbial enhancer that can be used to enhance or “boost” microbial activity in the SmartWasher® system; it actually increases the concentration of Ozzy® (microbes) within the OzzyJuice®. In most cases, the need for a “boost” will never materialise but when an overused machine needs a “kick in the microbes,” so to speak, OzzyBooster™ can do the job.

CRC SmartWasher® Ozzy Apple Scent™

PRODUCT CODE | **3310 - SCENT**

Odour Neutraliser for the SmartWasher® unit when a different odour is required or requested - Apple Scent.

CRC SmartWasher® OzzyJuice®

What is OzzyJuice®?

OzzyJuice® is a powerful, aqueous based degreasing solution that is pH-neutral, non-irritating, nonflammable, and non-toxic. Armed with superior cleaning capability, the OzzyJuice® solutions will match or surpass the performance of premium solvents without all the associated risks.

Ozzy® microbes keep the OzzyJuice® clean and strong

Microbes (Ozzy®), introduced into the SmartWasher® system through the OzzyMat™, eat the grease, oil and other contaminants cleaned off the dirty parts, creating the harmless by-products of carbon dioxide and water.

Clean OzzyJuice® means clean parts

The OzzyJuice® cleaning/degreasing solution cleans the dirty parts and the Ozzy® microbes clean the OzzyJuice® leaving it strong and clean for every use. You should never need to haul away dirty parts cleaning fluid again, if the unit is maintained properly, and according to the operating instructions.

CRC SmartWasher® OzzyMat™

PRODUCT CODE | **FL-4**

Designed for applications with normal to heavy usage, the FL-4 Multi-Layer OzzyMat™ has (4) white layers and (1) blue layer. The white layers on the mat trap any particulate larger than 50 microns and should be peeled away once a week for optimum performance. The coloured layer is the support structure that contains the microbes (Ozzy®) and delivers them into the system. These microbes (Ozzy®) migrate from the OzzyMat™ into the OzzyJuice®, located in your SmartWasher® tank, and break down hazardous waste.

SmartWasher®

BIOREMEDIATING parts washing system

SmartWasher® ships completely assembled. The SmartWasher® startup kits contains everything you require to set up and use your SmartWasher® straight away including fluid and filters. This pack makes sure you are prepared from day 1 to use and maintain your SmartWasher® in peak condition.

SPECIALTY PRODUCTS

Extreme Pressure Anti-Seize Assembly Lube

3331 | 280g • **3333** | 78g

CRC Sta-Lube Extreme Pressure Anti-Seize Engine Assembly Lube has been specially formulated for sliding or rotational contact surfaces, for initial start-ups and break-ins.

- Prevents scuffing, scoring, galling and seizing.
- Adheres to metal surfaces and remains active over long storage periods preventing rust and corrosion and cushioning close fitting parts

Sta-Lube Brake Caliper Grease

3301 | 71g

CRC Sta-Lube Caliper Grease is a high quality, synthetic brake caliper grease that is manufactured with a combination of Polyalphaolefin and Pentaerythritol Esters which are then thickened with fumed silica

- Non-melting
- Resists water contamination, rust and corrosion
- Reduces binding, vibration, wear and squeal

Treflex Cutting Compound

3060 | 500ml • **3061** | 2L

Treflex Cutting Compound is a green coloured, active cutting compound containing a colloid. It melts slowly as frictional heat is generated. Treflex maintains efficient lubrication throughout operations such as pipe screwing, hack sawing, tapping, reaming, etc.

- It is suitable for all users of hand tools
- It is ideal for use with stainless steel

Treflex HD Cutting Fluid

3065 | 500ml

Treflex HD Cutting Fluid is an extreme duty cutting fluid. It is a thick fluid that sticks to the cutting tool throughout the operation. Treflex HD Cutting Fluid is ideal for tapping and drilling stainless steel, carbon steel, inconel, monel, hastelloy, titanium, aluminium and other alloys and exotics.

- An extreme duty cutting fluid
- It is ideal for use with stainless steel

Copper Anti-Seize & Lubricating Compound

3145 | 75ml • **3183** | 500ml

CRC Copper Anti-Seize and Lubricating Compound is a general purpose anti-seize lubricant that prevents seizing and galling caused by high temperatures, heavy loads, vibration and corrosion.

- Safe for use on both ferrous and non-ferrous metals
- High Temperature Resistance. Protects parts up to 982° C

Disc Brake Quiet

5016 | 118ml

CRC Disc Brake Quiet stops brake squeals and squeaks. CRC Disc Brake Quiet is an elastomeric multi-polymer compound specially formulated to dampen the vibrations that cause disc brake noises. It forms a water and high temperature resistance film that will absorb noise and quiet disc braking.

- Resists cold, hot and water wash off and high temperature sling off
- Reduces or eliminates squeaks and squeals.

Leak Detector

14503 | 510g

CRC Leak Detector is formulated for the quick detection of gas and air leaks. The water based formula contains no oils, silicones or harmful solvents.

- Finds leaks fast – highlights all leaks, even under low pressure
- Non-flammable water based formula – no oils, silicones or harmful solvents

Weld-Kleen® 350 Anti-Spatter

17089 | 32oz • **17090** | 1gal
17091 | 5gal • **17092** | 55gal

A safe, effective water-based product designed for use on most base metal applications. Used by leading manufacturers, effective for use in robot torch blow down systems.

- Economical and safe
- Biodegradable
- Non-toxic
- Paintable

Coil Cleaner Pro

1752427 | 500g • **1752428** | 5L

CRC Coil Cleaner Pro is an industrial strength foaming coil cleaner. It effectively dissolves grease, oil and sludge from air conditioning and refrigeration coils.

- Industrial strength
- Low odour
- Water based

HVAC Leak Detector Pro

1752429 | 510g

CRC HVAC Leak Detector is formulated to quickly and easily detect any gas or air leaks. It quickly and reliably locates leaks by forming visible bubbles when applied over any leak.

- Non-flammable
- No odour
- Water based
- Contains no oils, silicones, or harmful solvents

CORROSION PROTECTION

Evapo-Rust®

EVR1 - 1L | **EVR5** - 5L

Evapo-Rust® is a non-toxic rust remover for fast and effective restoration. The award-winning formula is specifically designed to remove rust, with no scrubbing or sanding required. It is safe, simple, and easy to use. No need for mixing, the solution is ready to use.

- Non-toxic, non-caustic & non-corrosive
- Powerful heavy-duty formula for even the toughest rust
- Reusable with long lasting efficacy
- No fumes or bad odours, non-flammable, no VOC's
- Will not harm unruled steel, safe on other metals
- Will not affect plastic, PVC, Viton and non-oxide-based paints

EVAPO-RUST® SUPER SAFE RUST REMOVER

Non-toxic

Powerful

Non-scrubbing

Reusable

Evapo-Rust® is a non-toxic, powerful, reusable rust remover for fast and effective restoration with no scrubbing or sanding required.

GREASES

Red Lithium Grease - Cartridge

1753203 | 450g

CRC Red Lithium Grease is a multi-purpose, red lithium complex grease that withstands extreme pressures and temperature ranges. Formulated with anti-oxidation, anti-rust, and anti-wear additives, it is a highly versatile grease for use in both automotive and industrial settings.

- Withstands extreme pressures and temperature ranges
- Protects against rust and corrosion

Di-Electric Grease

5107 | 8g • **5109** | 14.2g

CRC Di-Electric Grease seals, protects and insulates indoor/outdoor electrical connections and bulbs with a thin, non-curing silicone compound.

- Waterproof and insulator for electrical connections
- Prevents rust and corrosion
- Technician grade grease

PROUDLY SUPPORTING MEN'S SHEDS ACROSS AUSTRALIA

If you looked inside the common Men's shed across Australia, you might see a number of men making furniture, perhaps restoring bicycles for a local school, making Mynah bird traps, fixing lawn mowers or making a cubby house for Camp Quality to raffle. You might also see a few young men working with the older men obtaining new skills and learning something about life from the men with whom they work.

At CRC Industries we are proud to support these inspired individuals as they help communities become stronger.

Australian Men's Shed Association
SHOULDER TO SHOULDER

ADHESIVES & SEALANTS

MS High Performance Adhesive Sealant

8361 | 400g White • **8362** | 300g Clear • **8363** | 400g Black • **8364** | 400g Grey

CRC MS Sealant is a high performance, one-component neutral curing adhesive sealant based on MS Polymers. It has excellent primerless adhesion to all materials commonly used in the demanding building, construction and engineering industries. It is ideal where silicone sealants are not suitable.

- Excellent adhesion strength to a wide range of substrates used in the building, construction and engineering industries
- Waterproofs, bonds and seals
- Paintable – Cured product can be painted with most solvent and water based paints and varnishes

ADOS RTV Acetic Cure Silicone

8365 | 310ml

ADOS RTV Acetic Cure Silicone is a single component, fast curing, room temperature vulcanising silicone designed for glazing applications, general sealing and weatherproofing.

- Acetic cure for extra bond and increased strength
- Permanently flexible
- Ideal for glazing

ADOS RTV Neutral Cure Silicone

8360 | 310ml

ADOS RTV Neutral Cure is a single component, general purpose, fast curing silicone formulated to seal and bond most materials.

- Neutral cure, non-corrosive
- Excellent adhesion
- Bridges up to 8mm
- Non-corrosive, low odour
- Quickly forms a flexible, waterproof seal at room temperature

ADOS Red Gasket 260

8380 | 300g

ADOS Red Gasket 260 is a self-forming room temperature vulcanising Silicone that replaces felt, cork, paper, asbestos and rubber gaskets.

- Continuous service temperature of up to 260°C
- Makes any size or shape of gasket in minutes
- Resists cracking, shrinking and vibration

Gasket 340

8629 | 85g

CRC Red RTV Gasket 340 is a self-forming room temperature vulcanising Silicone that replaces almost any cut gasket, felt, cork, paper, asbestos and rubber gaskets.

- Intermittent service temperature of up to 340°C
- Makes any size or shape of gasket in minutes
- Ideal for high temperature high pressure applications
- Remains flexible and durable

CLEANERS

Bio Degreaser

5067 | 750ml • **5071** | 5L • **5072** | 20L
5201 | 205L Bulk Pack • **5202** | 1000L Bulk Pack

CRC Bio Degreaser is an extra heavy duty cleaner formulated to penetrate and dissolve tough grease, oil and contaminants for easy and safe removal.

- Biodegradable
- Non-toxic, non-hazardous and non-flammable
- pH balanced & water soluble

Surface Sanitiser

1752080 | 500ml • **1752089** | 5L • **1752235** | 20L

CRC Surface Sanitiser is a dual action cleaner and sanitiser suitable for almost all surfaces.

- Ready to use, no mixing required
- Sanitises surfaces within minutes
- Rinse free non-sticky formula
- Alcohol free, suitable for surfaces sensitive to alcohol (eg. leather, PVC and acrylic glass)

OFFICIAL PARTNER

MICHAEL PICKENS RACING

APPEARANCE

Glass Cleaner

3071 | 500ml

So Easy Fast Acting Glass Cleaner uses a residue free formula and is versatile and safe enough to use on your most delicate glass surfaces. Strong enough to quickly cut through the toughest dirt, dust, fingerprint and haze deposits. Biodegradable, ready to use, non-abrasive, non-foaming, non-flammable, industrial strength & non-ozone depleting.

- Professional strength
- Non- Foaming. Clings to vertical surfaces & minimizes run-off
- Readily biodegradable

Glass Cleaner

19023 | 1L

KITTEN ULTRA Glass Cleaner's fast acting professional formula is guaranteed to be safe to use on glass, mirrors, perspex and marble benchtops.

- Acts quickly to remove dirt and grime.
- Contains special surfactants to prevent misting.
- It is also an ideal fixing lubricant for window seals.

Glass Doctor

19125 | 220ml

KITTEN ULTRA Glass Doctor restores glass by removing water spots, stains and other imperfections from most glass surfaces. Ideal to use on vehicles, boats and buildings, shower doors, mirrors, glass balustrades, gas and wood fireplace glass, aquarium and terrarium glass.

Glo Wash

19211 | 1L

KITTEN ULTRA Glo Wash is specially designed to keep your car looking in showroom condition and is also ideal for use on boats.

- Helps to preserve your car's paint and finish by removing stubborn road grime that can become ingrained and cause paintwork to deteriorate

Wash n Wax

19216 | 1L

KITTEN ULTRA Wash 'n' Wax is a two-in-one product, which combines a special blend of high quality cleaning agents and protective waxes. It removes heavy road grime and leaves a protective wax coating on your car as you wash.

- Inhibits rust forming while you wash your car
- Use regularly to create a lasting shine
- Ideal for boats

Polish & Cleaner

9050 | 375ml

RE-PO Auto Polish and Cleaner is the original car polish and cleaner that has been used for over 68 years by Australian motorists. This versatile, easy, no-nonsense car polish and cleaner is right for any paint finish, no matter what age or type. Because of its non-silicone formulation it remains a favourite with body shops for removing oxidised and perished paint from all surfaces.

- Versatile, easy, no-nonsense car polish and cleaner
- Suitable for any paint finish, no matter what age or type

MOTO Metal Polish

1752436 | 200ml

CRC Moto Metal Polish refurbishes metal to its original shine, cleaning, polishing and protecting in one easy step.

- Refurbishes metal to its original shine
- Safe on aluminium, stainless steel, chrome, pewter, brass, copper, silver and all other bright-work components
- Provides long lasting shine and protection
- If used regularly - can prevent future tarnishing and corrosion

MOTO Plastic Polish

1752430 | 200ml

CRC Moto Plastic Polish restores lustre and shine to plastic surfaces while removing discolouration, stains, light scratches, and hazing.

- Safe to use on most plastic surfaces including bug shields, instrument clusters, helmet visors, safety goggles, head and taillights

MOTO Quick Wash

1752435 | 500ml

CRC Moto Quick Wash effortlessly creates a deep shine on paint, chrome & plastic.

- Waterless bike wash
- Spray on, wipe off
- Polishes, shines & protects
- Provides long lasting protection
- Two easy steps - spray on, wipe off
- Removes dust, finger prints and minor swirls effortlessly

Tyre Black

19123 | 500ml

KITTEN ULTRA Tyre Black is an easy way to make tyres, black rubber, car mats and mud flaps look new again.

- Contains water resistant waxes
- Keep your tyres looking good for longer

One Step Tyre Care

5047 | 1L • **5048** | 4L • **5049** | 20L

So Easy One Step Tyre Care penetrates the rubber tyre wall and dries to a clear protective film. No rinsing, no wiping, no rubbing. So Easy makes tyres look like new again.

- Penetrates the surface to remove grime
- No rinsing, wiping or rubbing
- Superior results

One Step Tyre Care

19046 | 1L

KITTEN ULTRA One Step Tyre Care gives your tyres an instant perfect finish. Just spray on. There's no need to brush or wipe.

- Removes tyre stains and scuff marks
- Makes tyres like new again
- One easy spray is all it takes to clean, protect and shine your tyres and mud flaps

Liquid Armour

5022 | 500ml • **5023** | 250ml • **5024** | 4L

CRC Liquid Armour penetrates, protects, preserves and beautifies vinyl, leather, plastic, rubber, fibreglass, perspex and wood. Surfaces regain lustre, life and colour and receive long lasting UV protection. Treated surfaces will not attract dust.

- Helps prevent cracking, fading, discolouration and premature aging
- Enhances your vehicle's deep, rich look

Protectant

5041 | 500ml • **5042** | 4L

So Easy One Step Tyre Care penetrates the rubber tyre wall and dries to a clear protective film. No rinsing, no wiping, no rubbing. So Easy makes tyres look like new again.

- Penetrates the surface to remove grime
- No rinsing, wiping or rubbing
- Superior results

Auto-Kolone Air Fresheners

AK10 | Original 100ml • **AK25** | Original 250ml |
AK11 | Mountain Air 100ml • **AK15** | Vanilla 100ml

Auto-Kolone Air Freshener is a long lasting deodoriser, formulated to give cars, home or the office a fresh, clean scent with a choice of three fragrances.

- Original fragrance
- Mountain Air fragrance
- Vanilla fragrance

Interior Protectant

19022 | 500ml

KITTEN ULTRA Interior Protectant forms a barrier on and under the surface guarding against cracking, dulling and fading caused by penetration of ozone, ultraviolet rays and oxygen.

- Long-lasting protection
- Regains lustre and colour, making these surfaces anti-static, repelling dust and dirt
