

CLEANERS

FOR MAXIMUM PERFORMANCE

CLEAN-R-CARB

5081

400g

Effective in place cleaner that removes deposits, gum, varnish, lacquer, resin, paraffin, metallic salts, oil oxides, tar and fuel stains

Will not harm catalytic converters or oxygen sensors

IDEAL FOR:

Use on all fuel system components as a general parts cleaner

GDI IVD™ INTAKE VALVE CLEANER

5319

312g

Increase power and torque

No intake manifold disassembly required

Solves rough starting problems

Reduces emissions

Improves fuel economy and km/l

IDEAL FOR:

Air intake valves in gasoline direct injection and standard fuel injection engines, also safe on turbochargers and intercoolers

MASS AIR FLOW

5014

300g

Cleans & protects MAF Sensors

Plastic safe & residue free

Improves air/fuel ratio

Increases km/litre – improves fuel economy

Increases/restores horsepower

IDEAL FOR:

Safe and effective way to clean delicate MAF sensors in modern vehicles

THROTTLE BODY AND AIR INTAKE CLEANER

5079

400g

Removes and prevents build-up of harmful throttle body deposits

Restores engine performance
Improves fuel economy

Reduces engine wear

Safe on coatings, sensors, O-ring seals and other sensitive components

IDEAL FOR:

Remove harmful deposits from throttle bodies and air intake systems in fuel injected vehicles
